## Notes

Please read to ensure your membership application progresses smoothly.

Allow a minimum of 28 days for your application to be processed.

Postage is included for UK residents including the Channel Islands and the Isle of Man.

We will only contact you by email if we have a query about your membership details.

## Branch Membership

Currently there are almost 30 branches and groups of BSAOC members meeting regularly. A full list of branches can be seen on the club website Branch directory with links to branch websites where applicable and you will also find a listing in the club magazine.

Branch membership provides a regular meeting point for members locally, somewhere you can get together with like-minded people. Within each branch, you will find a wealth of information and advice on BSA's and local dealer's etc. Many branches have regular social events, runs and attend local shows and events on their BSA's. Typical branch activities include technical talks, video shows, quizzes, swap meets and of course plenty of riding and time to discuss problems and talk about BSA's.

This option is only available to UK members. Please note that some branches charge extra subscriptions.

## Overseas Membership

Applies to anyone resident outside the United Kingdom wishing to join the UK club. Postage charges are applied to cover the extra it costs us to send your magazines to you. Don't forget to double postage costs if you wish to take out two years membership.

The initial membership pack (a large padded envelope) may be sent by Surface Mail due to the weight. -If you wish to have yours sent airmail please contact [membership@bsaownersclub.co.uk](mailto:membership@bsaownersclub.co.uk) for costs. Please put 'BSA' in the subject line when emailing me to ensure delivery of your email.

## Surface Mail

By surface mail your magazine may take several weeks to arrive especially to destinations outside Europe.

## Data Protection

The BSAOC is bound by the Data Protection Act and we do not release your details to any other organisation.

Credit card information is stored for two years as required by law. To prevent fraud, the card security code is snipped off the form and destroyed once the transaction has taken place. Transactions cannot take place without this code.

If you have any queries about membership, email [membership@bsaownersclub.co.uk](mailto:membership@bsaownersclub.co.uk) (please put 'BSA' into the subject line to ensure we receive your message).

We look forward to hearing from you soon and hope that you will enjoy your BSAOC membership.

Regards

Rob Jones
